

Women Making a Difference in St. Clair County

Greetings!

Since 1927, Junior Service Club (JSC) of St. Clair County, Illinois has been making a difference in our community. Each year, the women of Junior Service Club volunteer over 4,500 hours to support local agencies, such as Project Compassion, Belleville Area Humane Society, Family Hospice, Violence Prevention Center of Southwestern Illinois and the St. Vincent de Paul Mobile Soup Kitchen.

Through our fundraising events last year, JSC distributed almost \$50,000 to our social program recipients. The continued assistance to our community depends on the success of our annual fundraising projects.

On **Saturday, February 27th 2021**, we will be hosting our first virtual trivia night! This year, we are bringing back the 80's. Although it will look a little different, our goals remain the same. We plan to have fun, raise money for our services and test our 80's knowledge.

Trivia Night co-chairs, Elise Abernathy and Stephanie Babka, along with their committee, ask that you become a partner in supporting our fundraising efforts. This year, more than ever, we hope to be able to greatly support our services as they have been affected by COVID tremendously. Junior Service Club is a 501(c)(3) organization and your donation is tax deductible. Any donation is welcomed and appreciated.

Our sponsorship levels:

- \$500 – Event Sponsorship
- \$100 – Round Sponsor

With your generous donation, we will encourage our members to support you and/or your business.

Thank you in advance for supporting our organization and agencies within St. Clair County. You may learn more about Junior Service Club, the events that we host and the financial support that we distribute annually at www.junior-service-club.org.
